

## REMARKS

The above amendments are submitted in an effort to improve the quality of the issued patent; these amendments do not have any affect on the patentability or the scope of the claims, and were not submitted earlier due to the fact that the need for these amendments came to the attention of the applicant(s) upon review of the Examiner's Amendment issued with the Notice of Allowance dated February 20, 2007. Per Applicant's representative's telephone conversation with the Examiner, the above amendments are acceptable.

It is respectfully requested, therefore, that these amendments be entered, and this application passed to issue upon payment of the Issue Fee.

In the event that there are any fees due with respect to the filing of this paper, please charge Counsel's Deposit Account No. 50-2222.

Respectfully submitted,
